

## ABHA-FS330194

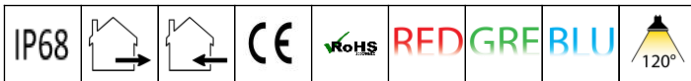

### 150W COB LED STRIP LIGHT (15W/m)

### PRODUCT SPECIFICATIONS

|                   |   |
|-------------------|---|
| Strip Material    | Double Sided Flexible PCB                                     |
| Sealant Material  | Clear Silicone Rubber   |
| Installation Tape | 3M Adhesive Tape  |
| Dimmability       | Compatible with Phase Dimming, 0 – 10V Dimming & DALI Dimming |
| Binning           | 3 Step MacAdam  |
| Life Span         | 50,000 hours  |

|                       |                                       |
|-----------------------|---------------------------------------|
| LED Chip              | Samsung                               |
| Power Consumption     | 150W (15W per Meter)                  |
| Input Voltage         | 24VDC                                 |
| Length                | 10m                                   |
| Thickness             | 4.5mm                                 |
| Operating Temperature | from -20° to 50° C                    |
| Color Rendering Index | >85                                   |
| Warranty              | 3 years against manufacturing defects |
| Agency Approval       | CE, RoHS                              |

| Power (W) | Available color Temperatures                                  | LED Chip Lumen Efficacy |         |         | IP Rating | Available Beam Angles |
|-----------|---|-------------------------|---------|---------|-----------|-----------------------|
