**Standard option.**

Non-standard products may be subject to MOQ. Contact your regional sales representative for more information.

## ACCESSORIES

---

### SPIKE

---

Spike for mounting fixture in the soil (default mounting accessory supplied with the fixture).

### WALL MOUNT BRACKET

---

Wall mount bracket, can be used to mount fixture on posts, trees or walls (sold separately).

### TREE STRAP

---

Combination of die-cast aluminum mounting bracket and rubber strap. Provides versatile tree mounting for spike lights without damaging trees and their growth.
