

## NANNA-WL220727

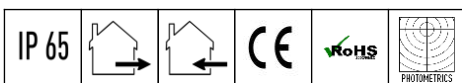

### 16W UP AND DOWN WALL SCONCE

### PRODUCT SPECIFICATIONS

|                  |                                     |
|------------------|-------------------------------------|
| Fixture Material | Die-cast Aluminum                   |
| Fixture Finish   | Powder-coated White                 |
| Glass            | Clear Glass                         |
| Reflector        | Polycarbonate with aluminum coating |
| Driver           | Built-in                            |
| Binning          | 3 Step MacAdam                      |
| Wiring           | Attached wiring compartment         |
| Life Span        | 50,000 hours                        |

|                       |                                       |
|-----------------------|---------------------------------------|
| LED Chip              | CREE COB                              |
| Power Consumption     | 16W                                   |
| Input Voltage         | 180~240V AC, 50/60Hz                  |
| Operating Temperature | from -20° to 65° C                    |
| Color Rendering Index | >85                                   |
| Driver Protection     | Short circuit                         |
| Warranty              | 3 years against manufacturing defects |
| Agency Approval       | CE, RoHS                              |

| Power (W) | Available color Temperatures     | Luminous Flux |        |        | IP Rating | Available Beam Angles |
|-----------|----------------------------------|---------------|--------|--------|-----------|-----------------------|
|           |                                  | 3000K         | 4000K  | 6000K  |           |                       |
